Important Questions	Answers	Why This Matters:
What is the overall <b>deductible</b> ?	Tier 1: \$400 per member; \$800 per family Tier 2: \$900 per member; \$1,800 per family	Generally, you must pay all of the costs from <b>providers</b> up to the <b>deductible</b> amount before this <b>plan</b> begins to pay. If you have other family members on the <b>plan</b> , each family member must meet their own individual <b>deductible</b> until the total amount of <b>deductible</b> expenses paid by all family members meets the overall family <b>deductible</b> .
Are there services covered before you meet your <b>deductible</b> ?	Yes. <b>Preventive care</b> services are covered before you meet your <b>deductible</b> .	This <b>plan</b> covers some items and services even if you haven't yet met the <b>deductible</b> amount. But a <b>copayment</b> or <b>coinsurance</b> may apply. For example, this <b>plan</b> covers certain <b>preventive services</b> without <b>cost sharing</b> and before you meet your <b>deductible</b> . See a list of covered <b>preventive services</b> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <b>deductibles</b> for specific services?	No	You don't have to meet <b>deductibles</b> for specific services.
What is the <b>out-of-pocket limit</b> for this <b>plan</b> ?	Tier 1: \$2,500 per member; \$5,000 per family Tier 2: \$4,750 per member; \$9,500 per family	The <b>out-of-pocket limit</b> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family <b>out-of-pocket limit</b> has been met.
What is not included in the <b>out-of-pocket limit</b> ?	<b>Premiums</b> , balance-billed charges, penalties for failure to obtain <b>pre-authorization</b> for services and healthcare the <b>plan</b> does not cover.	Even though you pay these expenses, they don't count toward the <b>out-of-pocket limit</b> .
Will you pay less if you use a <b>network provider</b> ?	Yes. See <a href="http://www.Preferredhealthchoices.com">www.Preferredhealthchoices.com</a> or call 1-866-390-3872 for a list of network providers.	You pay the least if you use a <b>provider</b> in Tier 1. You pay more if you use a <b>provider</b> in Tier 2. You will pay the most if you use an <b>out-of-network provider</b> , and you might receive a bill from a <b>provider</b> for the difference between the <b>provider's</b> charge and what your <b>plan</b> pays ( <b>balance billing</b> ). Be aware, your <b>network provider</b> might use an <b>out-of-network provider</b> for some services (such as lab work). Check with your <b>provider</b> before you get services.
Do you need a <b>referral</b> to see a <b>specialist</b> ?	No	You can see the <b>specialist</b> you choose without a <b>referral</b> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
