

 The Summary of Benefits and Coverage (SBC) document will help you choose a health **plan**. The SBC shows you how you and the **plan** would share the cost for covered health care services. **NOTE: Information about the cost of this **plan** (called the **premium**) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit [www.BCBSM.com](http://www.BCBSM.com). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. | Important Questions   | Answers  | Why This Matters:  |
|---|--|--|
| What is the overall <b>deductible</b> ?                             | In-Network: \$1,150 per member; \$2,300 per family   | Generally, you must pay all of the costs from <b>providers</b> up to the <b>deductible</b> amount before this <b>plan</b> begins to pay. If you have other family members on the <b>plan</b> , each family member must meet their own individual <b>deductible</b> until the total amount of <b>deductible</b> expenses paid by all family members meets the overall family <b>deductible</b> .  |
| Are there services covered before you meet your <b>deductible</b> ? | Yes. <b>Preventive care</b> services (in-network only) are covered before you meet your <b>deductible</b> .  | This <b>plan</b> covers some items and services even if you haven't yet met the <b>deductible</b> amount. But a <b>copayment</b> or <b>coinsurance</b> may apply. For example, this <b>plan</b> covers certain <b>preventive services</b> without <b>cost sharing</b> and before you meet your <b>deductible</b> . See a list of covered <b>preventive services</b> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .                                 |
| Are there other <b>deductibles</b> for specific services?           | No   | You don't have to meet <b>deductibles</b> for specific services.   |
| What is the <b>out-of-pocket limit</b> for this <b>plan</b> ?       | In-Network: \$3,500 per member; \$7,000 per family   | The <b>out-of-pocket limit</b> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family <b>out-of-pocket limit</b> has been met.   |
| What is not included in the <b>out-of-pocket limit</b> ?            | <b>Premiums</b> , balance-billed charges, penalties for failure to obtain <b>pre-authorization</b> for services and healthcare the <b>plan</b> does not cover. | Even though you pay these expenses, they don't count toward the <b>out-of-pocket limit</b> .   |
| Will you pay less if you use a <b>network provider</b> ?            | Yes, see <a href="http://www.bcbsm.com">www.bcbsm.com</a> or call 1-866-917-7537 for a list of network providers.  | You pay the least if you use an in-network <b>provider</b> . You pay more if you use an in-network <b>provider</b> . You will pay the most if you use an <b>out-of-network provider</b> , and you might receive a bill from a <b>provider</b> for the difference between the <b>provider's</b> charge and what your <b>plan</b> pays ( <b>balance billing</b> ). Be aware, your <b>network provider</b> might use an <b>out-of-network provider</b> for some services (such as lab work). Check with your <b>provider</b> before you get services. |
| Do you need a <b>referral</b> to see a <b>specialist</b> ?          | No   | You can see the <b>specialist</b> you choose without a <b>referral</b> .   |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
