**REQUIRED REFERRAL / PRIOR AUTHORIZATION PROCESS FOR RILEY HOSPITAL FOR CHILDREN OR OTHER OUT-OF- NETWORK PROVIDERS**

All participants need to obtain an approved out-of-network referral/prior authorization for payment at the Tier 2 in-network benefit level before receiving services at Riley Hospital or Children Hospitals and Clinics or Beacon Health System (Elkhart General Hospital or Memorial Hospital) facilities. If you do not obtain an approved referral before receiving care, your claims will be paid at the Tier 3 - out-of-network level of coverage.

**COVERAGE UNDER THE MEDICAL PLAN FOR DEPENDENTS THAT RESIDE OUTSIDE THE SERVICE AREA**

Colleagues with dependents who reside outside of the service area are eligible to expand their Tier 2 network coverage to include more providers in their local area.

Colleagues who are enrolled in the medical plan and have dependents residing outside the service area, need to contact Customer Service at Aetna with the dependent's name and address to have their contract updated and for claims to process correctly.

**NOTE:** Cancer Treatment Centers of America (CTCA) – There is no Network or Out-Of-Network coverage for both health care services provided by the facility; and health care services provided by physicians and other health care professionals at the facility.

**IMPORTANT INFORMATION:**

Certification for certain non-preferred must be obtained in order to avoid a reduction in benefits for that care. Certification required for Hospital, Treatment Facility, and Convalescent Facility Admissions. In addition, certification is required for Home Health Care and Hospice Care.

Plan limits and maximums are combined for in-network and out-of-network care. This plan does not cover all healthcare expenses and excludes or limits coverage for some medical services. Members should refer to their plan documents to determine which medical services are covered and to what extent. This chart displays only a general description of your benefits. Should there be a conflict between the benefits shown on the chart and those in the legal plan documents, the terms of the plan documents will be used to determine coverage and benefits.
