

## **MEDICAL STAFF POLICY/PROCEDURE**

### **MEDICAL STAFF DUES (MS 103)**

---

**Purpose:** The Medical Executive Committee shall have the power to recommend the amount of annual dues or assessments, if any, for each category of Medical Staff membership, and to modify the amount of dues in individual cases where compelling reasons exist, and to determine the manner of expenditure of such funds received (Article XIII).

It is one of the Basic Responsibilities of Medical Staff membership to pay such dues and assessments as may be decided upon by the Medical Executive Committee (Article II).

Members of the Provisional Staff, Active Staff, Courtesy Staff and Allied Health Professional Staff are required to pay dues. Members of the Honorary Staff, Affiliate Staff, Temporary Staff, and Administrative Staff are not required to pay dues.

When a member has obtained a voluntary leave of absence, the obligation to pay dues shall continue, unless waived by the Medical Executive Committee (Article IV).

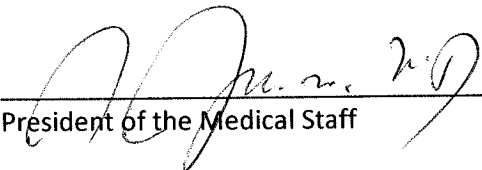

The Medical Executive Committee voted to assess Medical Staff Dues every two years payable at time of initial appointment and subsequently at reappointment, to the staff categories listed above.

All members are assessed dues in the amount of \$300 at the time of application/reapplication for Medical Staff membership and clinical privileges.

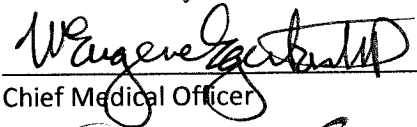

#### **Failure To Pay Dues**

Failure to pay dues will result in application or reappointment not being processed and will result in suspension of clinical privileges.
